The issuance and use of an All Alcohol License or Wine and Malt Beverage Only License (collectively, "Alcohol License" or "Alcohol Licenses") in the case of being issued to a restaurant, is an accommodating and incidental part of a Common Victualler's primary and principal business endeavor of serving food to the public in a restaurant. It is intended that the license allow for the economic viability of a quality restaurant to succeed in creating an attractive environment for patrons to gather together in a socially responsible and hospitable setting to eat, converse, exchange ideas, and otherwise promote individual welfare and town unity, pride, and spirit. It is the policy of the Town to both enhance the dining experience of individuals patronizing Belmont restaurants and to foster economic development of appropriate business areas in the Town by encouraging and promoting foot traffic and the support and development of collateral businesses in those areas where restaurants are located. Accordingly, the Board of Selectmen will consider when deciding upon a license application the foregoing factors and any other matters thought appropriate including, without limitation, proximity to residential neighborhoods, proximity to schools, playgrounds and other locales where children gather, proximity to other licensed establishments, traffic, parking, noise factors, lighting, appropriateness of menu, and aesthetic considerations, including the physical layout of the interior of the establishment.
